Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the City of Del Mar Stormwater/Sewer Infrastructure Improvement Project in fiscal year 2024. The entity to receive funding for this project is the City of Del Mar, located at 1050 Camino Del Mar, Del Mar, CA 92014. The funding would be used for the removal and replacement of the City's most critical sewer and storm drain infrastructure. The project is an appropriate use of taxpayer funds because this project meets Clean Water Act standards by improving storm water management throughout the City in order to promote public health and improve water security for both residents and visitors of Del Mar.

The project has a Federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C § 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Mike Levin".
